Dedication

To Miss Mary Laing Swift, Acting President for the greater part of the year, as well as Academic Dean of the college, the class of 1953 affectionately dedicates this record of a school year for the success of which we owe much to her untiring behind-the-scene efforts.

Her willingness to shoulder the double responsibilities of two full time positions is adequate testimony of her interest and devotion to Monticello and its students. It is our sincere hope that this book will remain as a token of our appreciation for the time and energy she has so generously given.

FACULTY

RUSSELL T. SHARPE

Russell T. Sharpe, recently appointed eighth President of Monticello, is still a new face on the campus but already an old friend to many of the students and faculty.

A native of East Greenwich, R. I., Mr. Sharpe graduated from Harvard, where he majored in English, in 1928. After a year of European travel, he returned to Harvard in an administrative capacity until he was called into military service. He was promoted to the rank of colonel and awarded the Legion of Merit in 1945.

Mr. and Mrs. Sharpe came to Monticello from San Francisco, California, where he was Administrative Vice-President of Golden Gate College.

Marshall Acker, Edmund Morgenstern, Eben Rodgers, chairman; Ryrie Milnor, D. Howard Doane.
 Mrs. Henry Warten, Mrs. Spencer T. Olin, Mrs. Theodore S. Chapman, Mrs. R. Chester Walling, Mrs. George Sparks Milnor, Mrs. William Wood Parsons.

Board of Trustees

The capable men and women of our Board of Trustees have as their responsibility the general administration of Monticello College.

The time and energy of this efficient group are freely given every year toward the handling of finances and the supervision of many college matters.

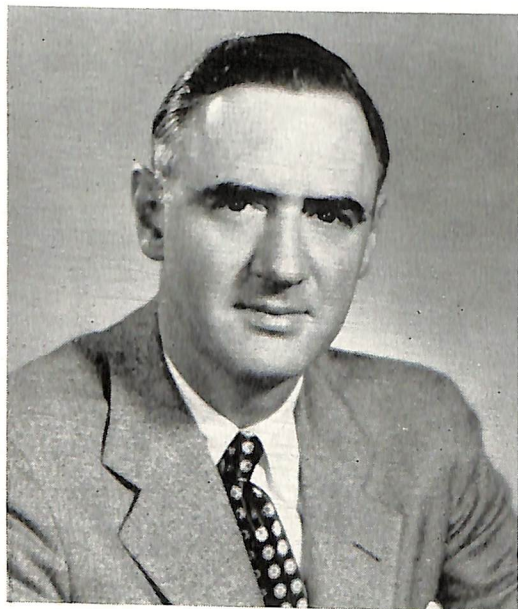

Eben Rodgers, as chairman, heads the board of which the college president is automatically a member ex-officio. Trustees not pictured include Mrs. John Raeburn Green, Fred Kuehne, Jr., and Leslie W. Lyon.

Administration

MARY LAING SWIFT
Academic Dean
A.B., Vassar College
M.A., Columbia University

The position of Academic Dean encompasses many responsibilities, most of which are directly concerned with the students and their problems. In this capacity, Miss Swift is a willing listener and a helpful adviser.

She supervises the curriculum and examinations and acts as chairman of the Advising Committee. Despite her busy schedule, Miss Swift also finds time to serve as faculty adviser to the Student Council.

WENDEL H. BAKER
Director of Admissions
Assistant to the President
A.B., University of Missouri

The important task of contacting prospective students and answering their questions about Monticello rests in the hands of Mr. Baker and a corps of admissions counselors.

It is also he who arranges transportation facilities during vacations, handles financial and business affairs of the college, and directs maintenance and repairs of buildings and campus throughout the year.

ERMINA E. BUSCH
Registrar
A.B., University of Illinois

Class and exam schedules are only a part of the duties of Miss Busch, Monticello's registrar and statistician. She keeps academic and registration records for each student, records grades, prepares transcripts, and aids those planning to transfer to senior colleges.

She also serves as personal adviser to a group of students.

MRS. ERNEST R. DUREE
Social Director
B.A., University of Nebraska

The many social activities throughout the school year are the prime responsibility of Mrs. Duree, who serves in the capacity of Social Director.

Dances, teas, cabin parties, movies, and trips to St. Louis are scheduled under her guidance. In addition to these activities, Mrs. Duree serves as adviser to the junior class and the social committee chairmen.

MRS. W. VLADIMIR ROUSSEFF
Acting Librarian

Mrs. Rousseff, as head of the library staff, has the time-consuming responsibility of maintaining order on the library shelves and quiet at the library tables.

She is always available for aid in finding reference material in books as well as in the complete collection of periodicals, pamphlets, and other current reading material.

The annual Book Fair owes its continual success to preparation and organization by Mrs. Rousseff.

JOSEPH A. L. RUSSO
Director of Publications
A.B., Harvard College

As director of student publications, Mr. Russo advises and assists in editing the college paper, the *Times*, and the yearbook, the *Echo*. Photographs in these publications as well as in all promotional material are taken by him.

Throughout the year, his photographs of students and their activities, the campus grounds and college buildings, preserve memories of life at Monticello.

Student Council

The Student Council is the executive group of the Monticello student body. Through this organization, which voices the opinions of the students regarding the inevitable problems of school life, each girl can express her ideas and bring them to the administration.

The four major officers of the Student Council are chosen by the entire student body. To insure a junior voice in school matters, the secretary, D'Arline Robinson and treasurer, Janice Booth were elected and took office in December of their junior year. Later in the year a president and vice-president were elected to replace the senior officers, Karel Sladek and Judy Richter.

The remaining members of the Council comprise the Council Board which consists of the heads of major organizations including class presidents, house chairmen, M.C.A. and M.A.A. presidents, sponsor chairmen, Social Committee, and editors of student publications.

Miss Mary Laing Swift serves the group in the capacity of adviser.

Beauty

Within each girl is the power to recognize and appreciate the beauty of everyday experiences. Life is filled with beauty if one is sensitive to it and eager to find it—if one's eyes are trained to see, one's ears to hear, one's heart to understand, and one's mind to remember.

DEE RUMSFELD

The Seven Ideals of Monticello

The seven girls pictured on these pages have been chosen from the class of '53 by the vote of their classmates to represent the seven ideals of Monticello.

Outstanding members of their class in many ways, these girls were chosen to personify the ideal which is most typical of their personality.

SUZANNE GRAHAM

Democracy

The truly democratic person interests herself in the activities of others. She seeks to understand and respect the ideals and beliefs of her associates while maintaining her own independence of thought and action.

Loyalty

One of the most important of the Monticello Ideals is a deep-seated loyalty to the college, one's friends, one's family and one's own beliefs. This deep-seated emotion will grow through understanding, respect and love.

SALLY SIX

Dignity

This is a quality of reserve which comes with emotional, intellectual, and social maturity. Dignity is always reflected in the recognition of the fitness of things and in the poise and self-confidence with which one places one's self above that which might be considered unseemly.

JO GORDON

KAREL SLADEK

Service

Each of us has a distinctive personality and unique talents. The Monticello girl considers it not only a privilege but a responsibility to share her gifts with all, thereby helping herself and others to develop to the fullest measure.

MARY GATTIS

Friendship

Many of your most cherished and lasting friendships will be made while you are at Monticello. Your college days will afford rich opportunities for making a wide circle of friends. In true friendship there is dignity, beauty, loyalty, service, democracy, and never-failing consideration.

Wisdom

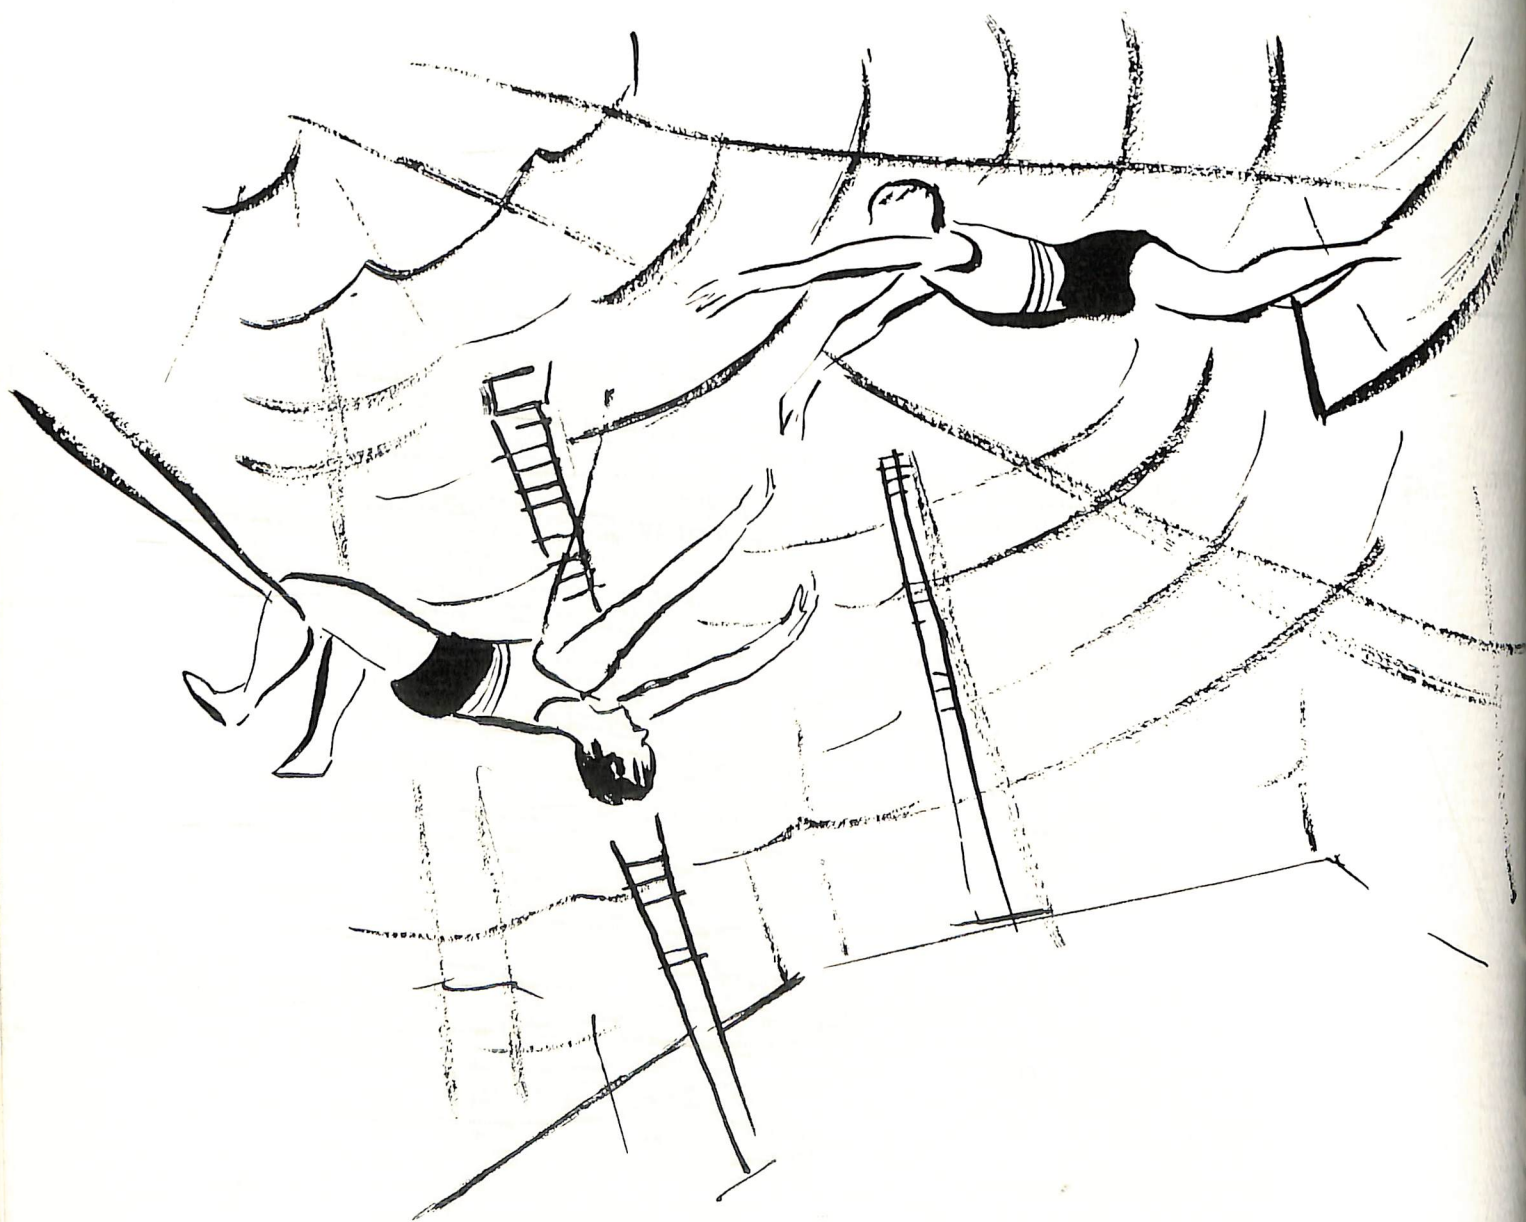

As the Monticello girl grows in academic stature, she seeks to increase her ability to apply her knowledge usefully, for wisdom is the union of knowledge and understanding.
